- All server equipment is protected by a UPS system to stop vital data/equipment being damaged by power surges & powercuts

Digital Printing Presses

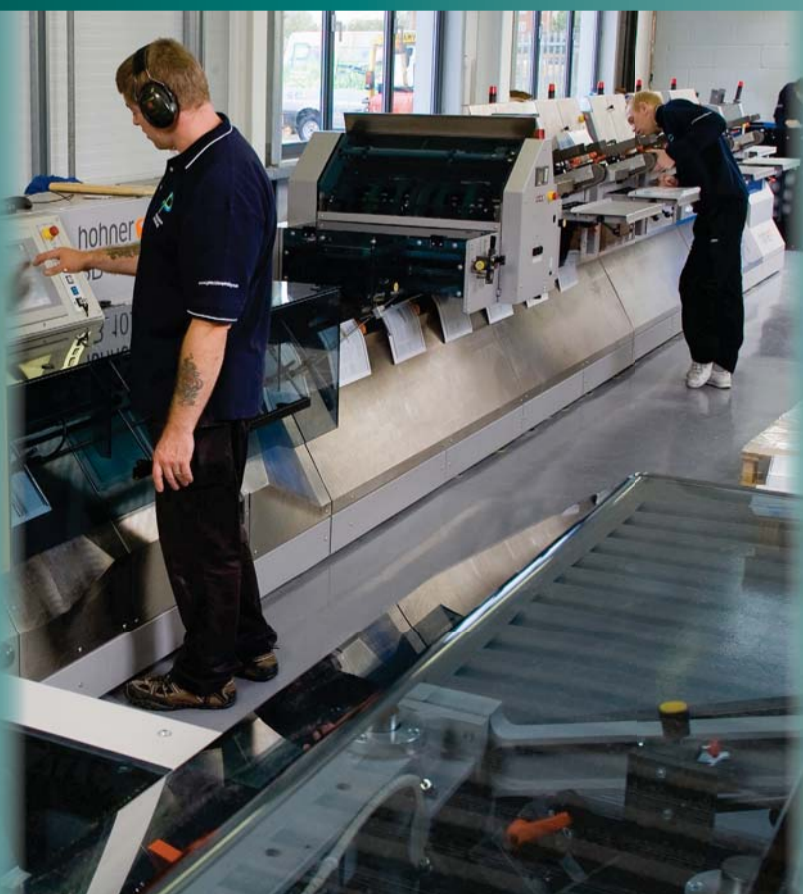

- 2 x HP Indigo 5000 - 7 colour - pantone approved - up to 350gsm
- 1 x HP Indigo 7000 - 7 colour - pantone approved
- 1 x HP Indigo 7500 - 7 colour including pantone white and thicker substrate kit - up to 400gsm (sheet size 480 by 330)

Litho Printing Presses

Heidelberg Speedmaster Presses

- 1 x SM74 - B2 2 colour - Perfector (1/1) - Ideal for Bookwork, flyers, stationary
- 1 x SM74 - B2 4 colour - Straight - Specials or process
- 1 x CD74 - B2 6 colour - Perfector (3/3) - Carton Display up to 800micron board, Axis Colour Management System
- 1 x XL75 - B2 10 colour - Perfector (5/5) - Includes Impress fully automated colour management
- Production Scheduling linked to in-House Management System - automated on screen & updated every minute

Finishing

- 3 x Folding Machines (1 Stahl & 2 MBOs) Automatic Feeders
- 1 x Polar 115 flowline
- 2 x Polar 92 Guillotines
- 1 x Hohner ST10,000 6 station saddle stitching line (booklet making)
- 1 x Horizon stitching line (booklet making)
- 2 x Heidelberg Die Cutting & Creasing machines, foil blocking
- 1 x Kama cutting & creasing machine
- 2 x Laminator thermal up to B1
- 1 x Duplo creaser
- 1 x Morgana Business Card slitter
- 4 x Renz fully automated punching machines (wiro)
- 4 x Renz fully automated closing unit (wiro)
- 1 x Inkjetter
- 1 x Drill
- 2 x shrinkwrapper
- 3 x hand stitchers
- Tail Lift, Jogger, Guillotine Stacker to reduce manual handling
