## ENVIRONMENTAL POLICY

### **It is our policy to -**

- ensure that our staff act in accordance with this policy and in compliance with our Environmental Management System.
- continually strive to improve our environmental performance and prevent pollution
- set and monitor environmental objectives and targets.
- reduce waste and the consumption of resources (materials, fuel and energy) and ensure unavoidable waste is recycled, reused or recovered, where possible, or disposed of responsibly.
- foster a sense of responsibility for the environment amongst our staff.
- monitor and where possible to reduce the impact of our activities on the local and general environment.
- ensure compliance with relevant Legislation and Regulations

To ensure that this is achieved consistently and efficiently, we operate an Environmental Management System, which meets the requirements of ISO 14001.

We aim to provide our customers with goods and services within an environmentally sound framework
